

Kelly Dunn, MD currently serves as Clinical Assistant Professor of Psychiatry and Behavioral Sciences at OSU Center for Health Sciences. She is board certified in Psychiatry and Addiction medicine. She received her medical degree from the University of Oklahoma College of Medicine and completed her Psychiatry Residency at OU-Tulsa.

She also serves at the Executive Director of Clinical Services for the National Center for Wellness and Recovery where she leads the way in seeing lives transformed with holistic, evidence-based addiction treatment.

She is also passionate about Physician and Trainee Well-being, working to help teach and care for Residents and Students at OSU-CHS so they can have fulfilling, resilient lifelong careers.
