

**V. Ray Cordry, Jr., DO**, earned his doctor of osteopathic medicine degree from the Kansas City University of Medicine and Biosciences' College of Osteopathic Medicine in Kansas City, Missouri, in 1975. Following graduation, he performed a psychiatry residency at the University of Kansas School of Medicine in Wichita, Kansas, and a fellowship in child psychiatry at the University of Oklahoma Health Science Center in Oklahoma City. Board-certified in psychiatry, Dr. Cordry's experience includes rural primary care and emergency medicine, psychiatry medical directorships, and teaching osteopathic and allopathic students. Dr. Cordry is currently the outpatient medical director for the Red Rock Behavioral Health Services and is an Oklahoma Forensic Review Board member.
